

DORSET PARK

NEIGHBOURHOOD

Dorset Park is a quiet neighbourhood filled with large lots and big, beautiful trees. Houses here were built in the 1970s and 1980s and include townhouses, semi-detached, split levels, bungalows as well as two storey detached.

Centrally located, this area is both perfectly situated to access every area of Milton, amenities, Hwy 401 and major roads, while also maintaining a very peaceful neighbourhood as most of the streets are quiet crescents. There are many green spaces and walking paths including Baldwin and Kinsmen Park which has been updated.

Boundaries:

- Main Street
